

JLVM Green Initiative

On 24th Jan 2010, Jordan Light Vehicle Manufacturing (JLVM) Celebrated the Tree Day and released its Green Initiative “Plant a Tree for Each Built Vehicle” as a part of its Corporate Social Responsibility. Some of JLVM employees headed by the Managing Director, Dr. Wael Massarweh, participated in planting the said tree to cope with our green strategy and procedures those designed to make all employees, visitors and suppliers aware of their actions and contributions that may make an impact on the environment.
